

Western Bank
List of Mortgage Loan Originators

It is the policy of Western Bank to comply with the interagency rules implementing the Secure and Fair Enforcement for the Mortgage Licensing Act of 2008 ("S.A.F.E ACT"). The S.A.F.E Act requires Mortgage Loan Originators employed by an agency-regulated depository institution to register with the Nationwide Mortgage Licensing System and Registry and to maintain and renew their registration in that system annually. The Bank is required to provide a list of active mortgage loan originators with their unique NMLS ID's to our customers.

The following is a list of Western Banks' mortgage loan originators that have been registered with the Nationwide Mortgage Licensing System:

Name	NMLS ID	Location
Dion Kidd-Johnson	536578	Alamogordo, NM
Amanda Leigh Mancuso	536581	Alamogordo, NM
